## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 23-48 are allowed.
2. The following is an examiner's statement of reasons for allowance: in regard to the independent claims, none of the prior art of record, alone or in combination teaches or suggests the recitation therein including steps or structures or means for directing the transmit signal into and along a propagation path in the sample, wherein the sample distorts the transmit signal along the propagation path and thereby produces a distorted ultrasonic signal including harmonic components at second and higher order harmonic frequencies of the fundamental frequency, and further wherein the sample also reflects the distorted ultrasonic signal including said harmonic components; receiving the harmonic components of the reflected distorted ultrasonic signal; and digitizing the received signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
